

KINGDOM Pty Ltd + BSWA		BSWA Microphones
PART #	DESCRIPTION	REMARKS
Microphone Capsule, Type 1		
MP 201	1/2 inch prepolarized condenser microphone, IEC 651 Type 1 Nickel diaphragm, stainless steel housing	1) Individual Calibration Chart 2) Package Box MP2 3) 3-Year Warranty
Microphone Capsule, Type 2		
MP205	1/2 inch prepolarized condenser microphone, IEC 651 Type 2, Nickel diaphragm, stainless steel housing	1) Packed in Box in Batch 2) One Year Warranty
MP 206	1/2 inch prepolarized condenser microphone, IEC 651 Type 2, Plastic diaphragm, copper housing	1) Packed in Box in Batch 2) One Year Warranty
MP 408	1/4 inch prepolarized condenser microphone, IEC 651 Type 2	1) Packed in Box in Batch 2) One Year Warranty
ICP Preamplifier		
MA 201	1/2" ICP microphone preamplifier, 89mm in length	Packed in Box MA2
MA 211	1/2" ICP microphone preamplifier, 67mm in length	Packed in Box MA2
MA 408	1/4" ICP microphone preamplifier, SMB connetor	4 packed in 1 Box MA4
ICP Microphone Kits		
MPA 201	MP201+MA211. 1/2" microphone with ICP Preamp. IEC 651 Type 1; BNC	Packed in Box MA2
MPA 205	MP205+MA211. 1/2" microphone with ICP Preamp. IEC 651 Type 2; BNC	Packed in Box MA2
MPA 206	MP206+MA211. 1/2" microphone with ICP Preamp. IEC 651 Type 2; BNC	Packed in Box MA2
MPA 201T	as MPA 201 but TNC connector	Packed in Box MA2
MPA 205T	as MPA 205 but TNC connector	Packed in Box MA2
MPA 206T	as MPA 206, but TNC connector	Packed in Box MA2
MPA 408	1/4" microphone (MP408) with ICP Preamp ; Array Microphones	4 packed in 1 Box MA4
Studio Microphones		
SM4001	Studio Microphones Phantom Power, MP201	1) Packed in Batch; 2) One Year Warranty
SM4005	Studio Microphones Phantom Power, MP205	1) Packed in Batch; 2) One Year Warranty
SM4006	Studio Microphones Phantom Power, MP206	1) Packed in Batch; 2) One Year Warranty
SM4000K	Studio Microphones Phantom Power, MP201, 205, 206	1) Packed in Batch; 2) One Year Warranty
SMA4000P	Phantom power preamplifier	1) Packed in Batch; 2) One Year Warranty
Data Acquisition Card		
MC 3022	USB Soundcard with two ICP input channels and one signal output channel	1) USB Cable; 2) Driver CD; 3) Manual
MC3088-1	8 Channel Data Acquisition System, 8 ICP input channels(Simultaneous) and 8	
MC3088-2	8 Channel Data Acquisition System, 8 ICP input channels(Simultaneous) and 8	
MC3010	10 Channel Data Acquisition System 10 ICP input channels(Simultaneous) and 8 output channel	MC3010;RME Driver CD;Cable IEEE 1394a(FW400), 4.5m(15ft);Power cord;User's Guide RME FireFace800 ;Optical cable(TOSLINK),
ICP Power		
MC 102	2-channel ICP power supplier	1) 9 V Battery
Calibrator		
CA 106	1000Hz, 94dB calibrator, Type 2	1) 9 V Battery
Omni Sound Source		
OS002	Uses 12 matched loudspeakers in a dodecahedral configuration	
Power Amplifier		
SWA100	Can produce 100W per channel at 8Ω	220/110V AC main power supply
Impedance Tube		
SW002	For accurate measurement of sound absorption coefficients and material impedance	
Tapping Machine		
TM002	For making measurements to the latest versions of the international standards.	1)10 impacts per second tapping sequence 2)220/110V AC main power supply
