Please phone the toll free number: 1800 337 046 once you have picked up your luggage. The bus will be dispatched as soon as possible, unfortunately we are not able to prearrange pickups due to Melbourne Airport restrictions.

» If you have arrived on a Virgin flight please walk up to the International terminal and cross at the crossing, to the centre median strip, please wait under the bus shelter and the bus will pick you up from there.

» If you have arrived on a Jetstar or Qantas flight, please turn left and cross the road. Please wait under the bus shelter at the end of the median strip

» If you have arrived on an International flight, please turn left and cross the road. Please wait under the bus shelter at the end of the median strip.

These are the only places that the bus is authorised to stop to pick you up. We suggest that you use the courtesy bus rather than queue up for a taxi as the taxi drivers don't always appreciate the small distance fare.
